

THE Celtic SILVER INGOT WATCH

A truly great watch reveals a lot about its wearer... a keen sense of *style*... and a passionate commitment to *quality*. These are the very traits displayed by Celtic – match after match, season after season!

Now, master jewellers have designed a precision timepiece – meeting the high standards of *style* and *quality* expected by passionate supporters of the 2011/12 SPL Champions!

Created exclusively for Danbury Mint, ***The Celtic Silver Ingot Watch*** is officially authorised by Celtic.

Expert craftsmanship – solid silver ingot

Admire the impressive silver-coloured dial; its centrepiece is a solid, one gram silver ingot bearing an engraved image of the famous Celtic Crest and **The Bhoys** in bold lettering. Elegant and easy to read, the watch has raised markers at the 3, 6, 9 and 12 positions. The sleek, flexible bracelet is both stylish and comfortable; crafted of stainless steel, it fastens with a secure clasp – and will stay firmly on your wrist.

Fitted with a precision quartz movement, the watch is guaranteed to keep perfect time.

Beautifully presented

The Celtic Silver Ingot Watch is beautifully presented in a custom-designed case bearing the Club's Crest. This handsome case is perfect for keeping your watch safe – and ideal if you are ordering it as a gift. What's more, it's yours at no extra charge!
