Today

11:00 & 15:30

**Mercedes-Benz World Tour.** Make your way to the top floor and join our tour, which starts in 'Watch'. Your guide will then walk you through Mercedes-Benz World and tell you inside stories of our astonishing history and of the Brooklands race track, which was the first ever purpose built in the world back in 1907. The tour includes fascinating facts about our classic and new cars, including Lewis Hamilton's 2007 F1 car. Gain exclusive entrance into the private Maybach Suite where the super cars like the McLaren Mercedes SLR can be viewed close up.

All day

**125! Years of Innovation Display.** Blending innovation with perfection, Mercedes-Benz has been at the forefront of development in every aspect of the automobile. From beauty to safety, the passion that drives us to invent is in every car we produce - past, present and future. See this new exhibition on the first floor with the F1 exhibition & View Suspended II.

12:10

**smart Arrows Display Team.** See the smart Arrows display team driving our smart cars on the Wet Circle in formation style.

12:50

**Silver Arrows Display Team.** Watch the Mercedes-Benz Silver Arrows Display Team push the power and performance of the Mercedes AMG car to its limits with precision driving skills on our Handling Circuits and Wet Skid Circle.

14:10

**Silver Arrows Guinness World Record Breaking Attempt.**

15:10

**smart Football.** Live commentary will keep supporters on top of all the action as two teams of smart cars dribble and shoot a giant sized football into the goal.

10:00 - 17:00

**Mercedes-Benz Owners Club Parade Laps.**  
**Brooklands Double Twelve Festival Concourse Laps.**  
**AMG Hot Lap Passenger Rides.**
